

PARENT PROGRAMME

*Would you like to know
how to support your child's learning?*

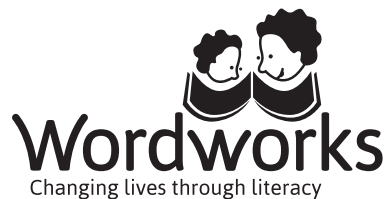

We are running a special programme that will help you, the parents and care-givers of children in Grade R and Grade 1, to support your child's learning at home.

There will be one workshop each week over eight weeks. At the workshops you will be shown easy and fun ways to help your child make good progress with their school work.

Venue: _____ Time: _____

You can make a difference!

The course is free. If you would like to take part, please fill in a form at the school office.
