Dear Parents,

We are pleased to inform you that your child has been selected to take part in the Ready Steady Read Write Programme at our school. This means that your child will attend an extra lesson each week to improve their language and literacy skills. The lessons are during school hours and are run by trained tutors using special materials and activities developed by an organisation called Wordworks. Children are assessed at the start and end of the programme to help us track their progress. There is no additional charge for the lessons.

Please sign the form on the next page to confirm that you give consent for your child to take part in the programme, and return it to your child's class teacher.

As a parent or caregiver, you can help by reading regularly to your child and by joining your local library. This will help your child to develop a love for books and reading. If you have access to the internet you might also like to download and print some of the free Wordworks games to use in your home (<a href="www.wordworks.org.za">www.wordworks.org.za</a>). Game Packs can also be purchased from the Ready Steady Read Write Programme Co-ordinator at your school.

We look forward to working with your child.

Yours sincerely,
