

Bushbuck's visitor

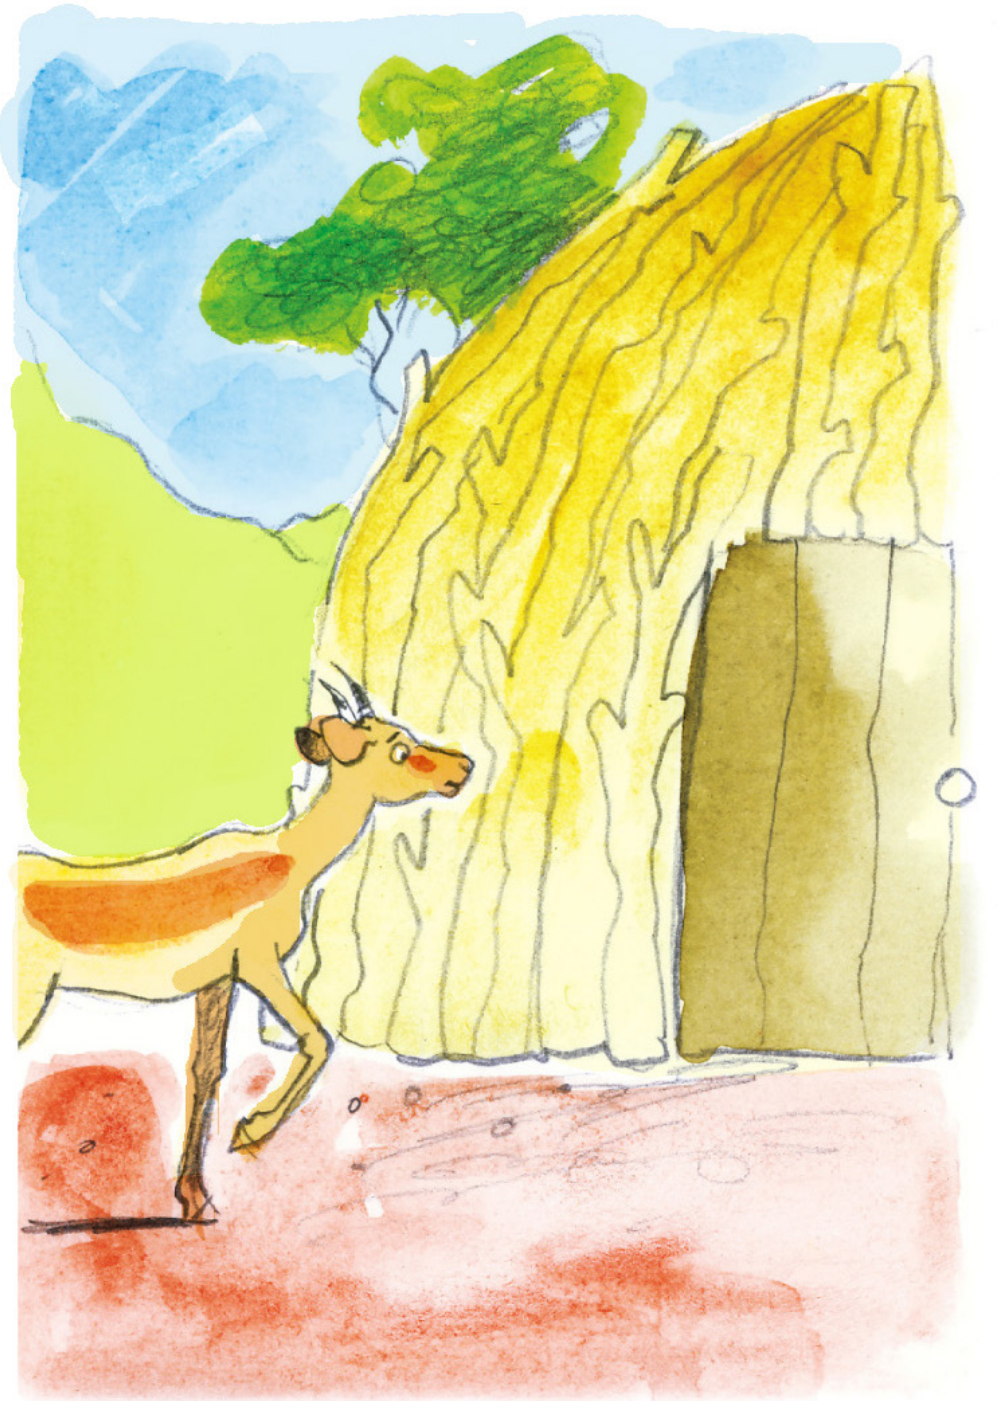

Adapted from an African tale
Illustrator: Helga Hoveka

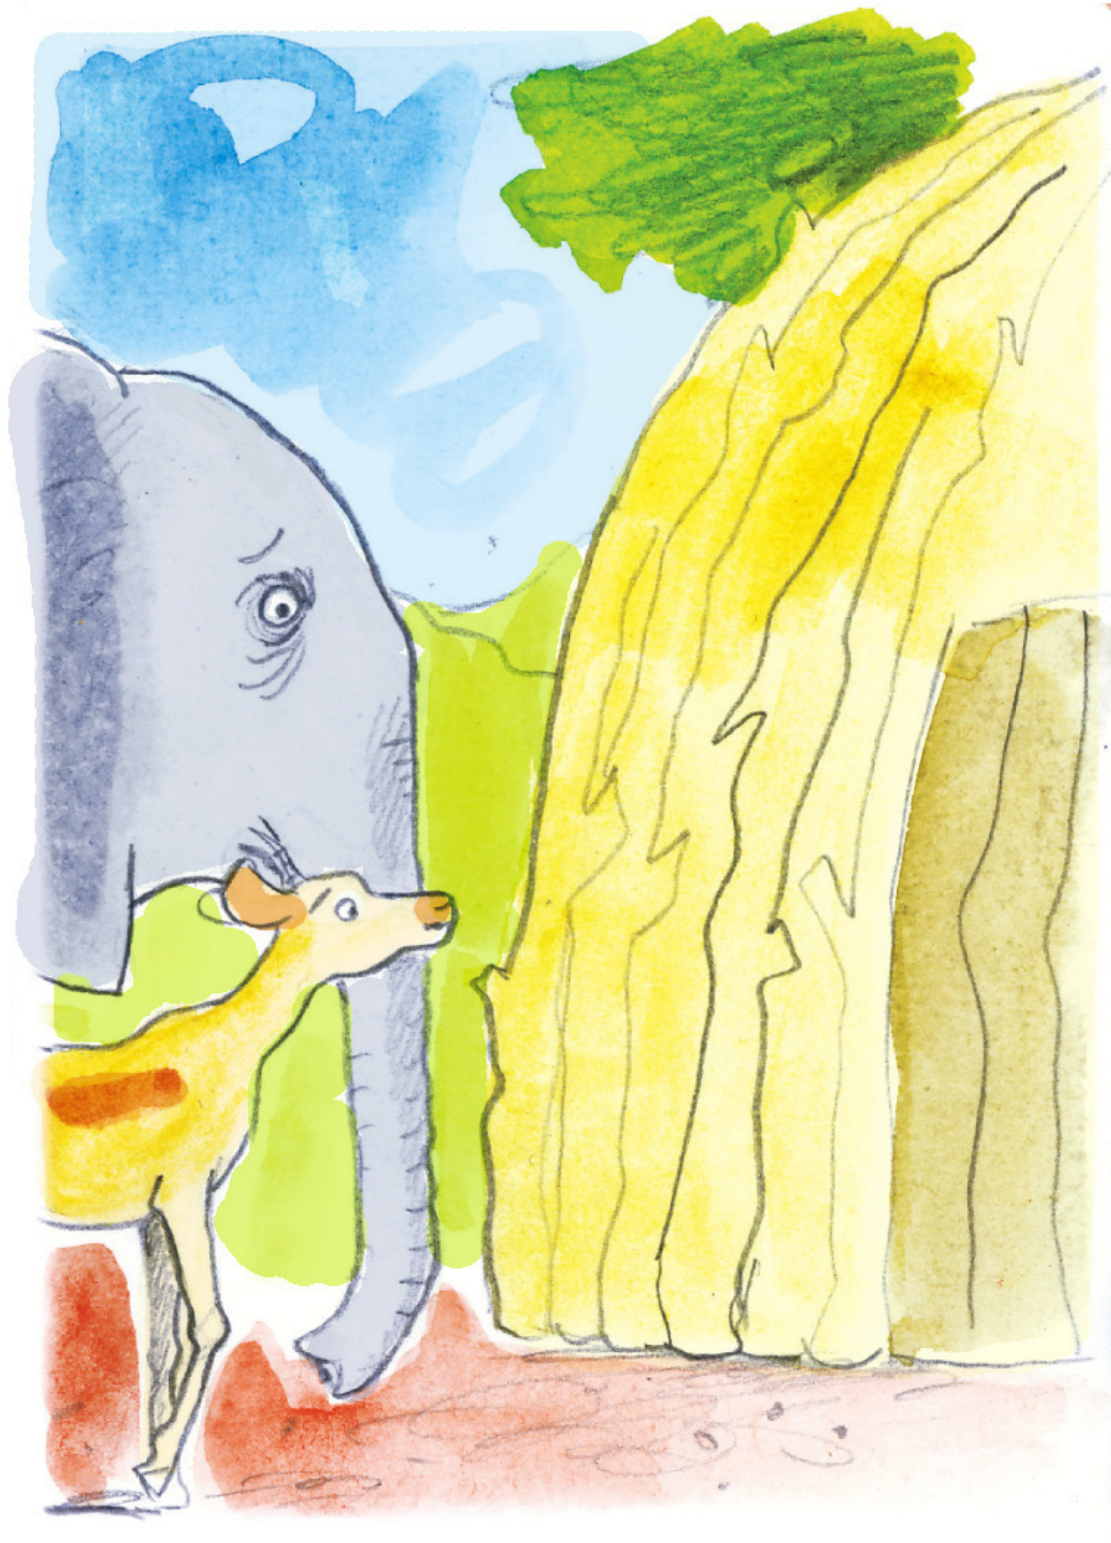

Bushbuck went out.
He left his door open.

Bushbuck came home.
The door was closed.
“Do not open the door or I
will eat you!” said a voice.

Bushbuck called Elephant.
“Do not open the door or I
will eat you!” said a voice.

Bushbuck and Elephant
called Lion.

“Do not open the door or I
will eat you!” said a voice.

“What! Eat me, the king of
the animals?” roared Lion.

Frog hopped out.

“Surprise! Surprise! It is only me!” said Frog.

The friends laughed!
“Thank you for helping me,”
said Bushbuck.
