

Together In My Education

The TIME Home Learning programme is a set of daily story-based activities with language and maths activities. The activities can be used at home and in after-school programmes to build language and maths foundations in Grade R and Grade 1. The activities are aligned to the CAPS curriculum and complement what is being taught in the classroom. The TIME materials include:

- two Parent Guides with activity planners for each week of the year
- four Learner Activity Books (one per term) which are filled with daily activity pages

Order form

We offer special network prices for Wordworks partners and people using our programmes

Name: _____
